# 9 ENTREPRENEURisms

## MANAGEMENT PRACTICE FOR VUCA WORLD

### INTRODUCTION

This series of keynotes are based on the theme of bringing entrepreneurial practices into organizations. Not intrapreneurship, or an entrepreneurial mindset, but a practical look at what leaders and executives can do that will make a difference.

The material is based on the speaker's book; 9 Entrepreneurisms: Management Practice for a VUCA World and subsequent research.

### SUMMARY OF THE PROGRAM

#### Duration

1 Session of 2 Hours

#### Methodology

This program can be conducted in either a virtual or face to face setting. It will be an experience sharing by the Speaker with practical tips for participants to consider using in their workplace.

Keynote of 45-60 minutes. Followed by a breakout planning session of 30 min and a group commitment to action session of 30 min.

There are 3 separate Keynotes to choose from depending on the desired outcomes and the seniority level of the participants. This can be decided after an initial review and survey. We will conduct a short survey with a sample set of the participants so that the content can be matched.

### THE UNBOXED WORLD – ARE YOU PREPARED?

We are in the midst of three waves of change that will impact how we; Learn, Work and Invest. Leadership teams need to establish and invest in new strategies if their organization is to thrive in this rapidly changing world.

This session is for senior leaders.

### YOU DON'T HAVE TO START A BUSINESS TO BE ENTREPRENEURIAL...

The choices for young people are many. Have you asked why they should join your organization? Learn what you can do in your workplace to hire, retain and motivate top performers. Entrepreneurs are not different people; they just do things differently. Is that something you want to do?

This session is for HR professionals and hiring managers.

### THE 3R'S IN RESULTS; RECOGNISE - RESPECT - REWARD...

Large organizations are often trapped into managing processes and not outcomes. Their people are mired in meetings, reports and not taking responsibility.

Learn how successful entrepreneur implement this simple 3-step process to get results. This will move your organization from process to outcome and you will reap the benefits.

This session is for everyone.
